Swift Healing Website Test report

Homepage > Shop Button (On the top Right)

- Initial Click went ok
- Filter Scroll Bar works fine
- Add to cart button and view cart button works fine in the shop section
- Product is added to cart successfully
- Proceed to checkout works fine and also asks non registered user to register himself
- Products can be removed from the cart properly
- No Name is shown for the products only this line
  Home / Uncategorized / product 2 and similar for product 1
- All kind of sorting in the sorting drop down works fine
- Search for products also works fine

Homepage > About (On the top Right)

- Nothing shows up in the about section

Homepage > Contact (On the top Right)
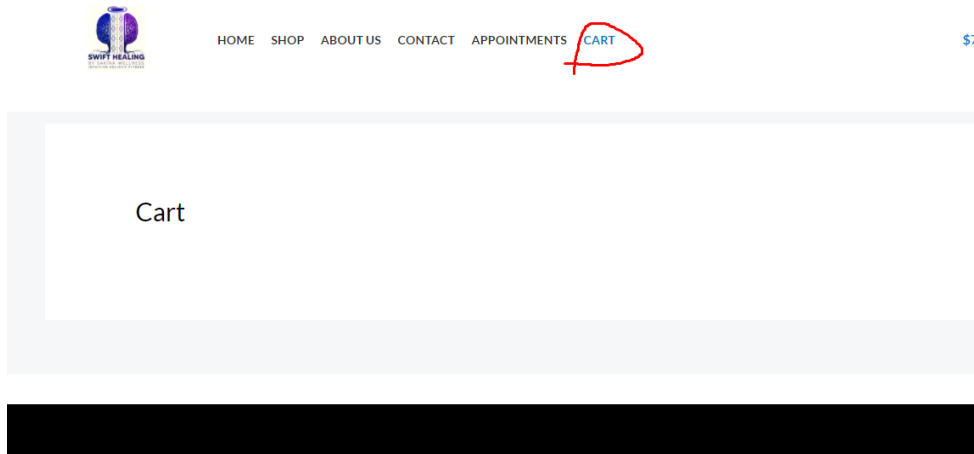

- Nothing shows up in the contact section

Homepage >Schedule Appointments (On the top Right)

- **Why can I enter alphabets in the phone number section**

- **The only appointment time available is 9Am to 5 am**

Homepage >Cart (On the top Left)

- Nothing shows up in the cart section on the top right

Homepage >Cart Icon (On the Top Right)

- When cart icon is pressed a drop down appears with the options view cart and checkout both of them working fine

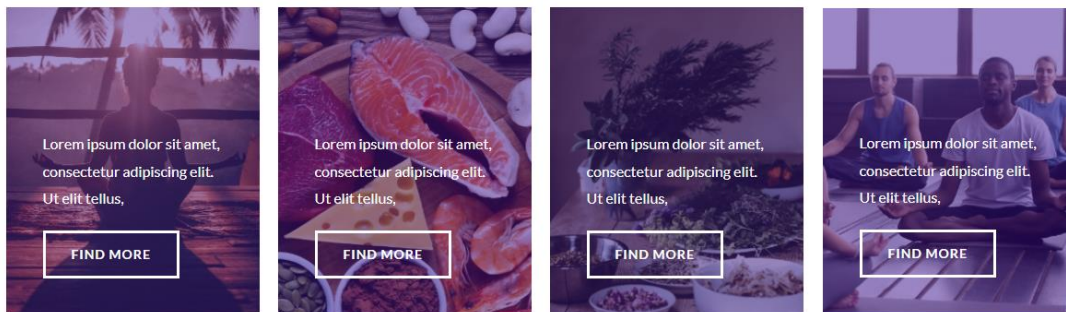

## The section demonstrated in the below screenshot is also working fine

The section demonstrated in the below screenshot is not working properly because all the fine more buttons just take you to the top of the homepage

FAQ

Submit button in the above screenshot also instead of submitting the email searches the website for my email instead of sending request to the host server

Create account button takes me to the Login section not to create account section

Appointment button right next to create account section works fine

Wrong information entered in the login section gives the prompt that pls enter correct credentials

Registration Section Works fine and takes me to the billing details section without any error

Entered all the billing details but there is no payment option

Your order

Product	Subtotal
product 1 × 1	$799.00
Subtotal	$799.00
Total	$799.00
